GET TO KNOW ME

An IIT alumni having over 18 years of diverse IT experience, globally working alongside various fortune 500 companies and Top MNC's like BP, Cargill, WIPRO to name a few. Have been travelling across the globe conducting a plethora of Training and Consultancy Programs on topics ranging from Hard Skill Development to Psychological and Soft Skill enhancement. At present, Mentor of MazeQube Software Technologies.

PROFESSIONAL TIMELINE

ENTREPRENEURIAL ENDEAVORS

I always had a keen interest in R&D and understanding the industry pain points and educating them which eventually made me to not only start but take positive steps towards my entrepreneurial journey.
